A PIECE OF HISTORY

AC MILAN FAMILY COLLECTION

We are proud to introduce the Ultimate AC Milan Family Pack. A collection of three watches - a GMT, a Chronograph and a Kids watch - each featuring a unique piece of the players' jersey in the case back and individually numbered.

To make them even more special, we offer free engraving on the case back, to commemorate a special occasion, a personal message or a certain moment.

A UNIQUE PIECE OF THE PLAYERS' JERSEY

IN THE CASE BACK OF EVERY WATCH

The coolest feature of the Rossonero Family Pack can be found in the case back of each watch: a unique piece of the players' jersey has been inserted into the case back. This makes every watch unique, and packed with even more history than the references found in the design.

FREE ENGRAVING
